

COMPLIMENTARY QUARTERLY WEBINAR

MEDICARE

MDS, Section M Updates, Hints and Tips

DESCRIPTION

The MDS, Section M has been updated as of October 1st, 2018. New pressure ulcer/injury definitions and staging descriptions have been adapted by CMS from the National Pressure Ulcer Advisory Panel and included in the updated Resident Assessment Instrument for coding the M-Section.

Attend this 90-minute fast-paced, information-packed webinar to get up to speed on the new reporting mandates and the most frequent mistakes when reporting wounds, including pressure ulcer/injuries to CMS. In addition, you are invited to be part of this interactive program where you may bring your questions about the M-Section or add your knowledge and understanding to the discussion.

OBJECTIVES

At the end of this presentation participants will be able to:

- Identify the most common mistakes when reporting pressure ulcer/injuries and other wound etiologies on the MDS, Section M.
- Verbalize the new pressure ulcer staging descriptions from the Resident Assessment Instrument for coding and reporting pressure ulcer/injuries for Section M.

AMT Education Division is a provider of Continuing Nursing Education by the California Board of Nursing, Provider Number CEP 15291.

This program is approved for 1 nursing contact hour by the California Board of Nursing.
