

COMPLIMENTARY QUARTERLY WEBINAR

ADAPTING THE PRESSURE ULCER/INJURY STAGING LANGUAGE INTO YOUR CLINICAL PRACTICE AND REPORTING MANDATES IN LONG-TERM CARE

DESCRIPTION

This program will assist clinicians in differentiating between the CMS State Operation Manual's and the National Pressure Ulcer Advisory Panel's pressure ulcer/injury definitions and staging descriptions. Content will guide the attendee in how to adapt this information into clinical and reporting practices for long-term care. This information is valuable to both new and seasoned wound care clinicians in the long-term care setting.

OBJECTIVES

At the end of this presentation participants will be able to:

- Recognize and compare the State Operations Manual's Guidance to Surveyors and the National Pressure Ulcer Advisory Panel's pressure ulcer/injury definitions and staging descriptions.
- Identify current CMS pressure ulcer/injury description and definitions for reporting and clinical best practices for documentation in the medical record.

FACULTY

- Pamela Scarborough, PT, DPT, MS, CWS, CEEAA
Director Of Public Policy & Education
American Medical Technologies
- Lynn Tabor, MS, RN, WCC, IP-BC, ASCOM
Director Of Education & Training
American Medical Technologies
